The diagram illustrates the placement of speed limit signs along a road curve. It shows three signs: a 40 km/h sign at the top, a 30 km/h sign on the left, and another 40 km/h sign on the right. Arrows point from the sign labels to the specific locations on the road: WS-09: DIAG 640 points to the top 40 sign, WS-10: DIAG 640 points to the 30 sign, WS-11: DIAG 640 points to the bottom 40 sign, and WS-12: DIAG 640 points to the 30 sign.
